

**(44) *Ad-Dukhan: The Smoke***

In the Name of Allah The All Merciful, The Most Merciful.

1. Ha Meem

2. By the Manifest Writ,

3. Assuredly We descended it in a blessed night, assuredly We were ever Warners.

4. In it, partitioned is every judicious affair.

5. An affair from about Us, assuredly We were ever Dispatchers.

6. A mercy from your Lord, assuredly He is As-Samee', Al-Aleem.

7. Lord of the heavens and Earth and what is between them, if you were ever certain.

8. (There is) no god but Him, He vivifies and deadens, your Lord and the Lord of your earlier fathers.

9. Rather, they are in skepticism, playing.

10. So observe the day the sky arrives with manifest smoke...

11. ...covering humanity, this is painful torment.

12. "Our Lord, lift from us the torment, assuredly we are faithful."

13. Whence is for them the remembrance? And truly has come to them a manifest messenger...

14. ...then they turned from him and said, "Tutored, insane!"

15. Assuredly We are lifting the torment a little, assuredly you are resuming.

16. The day We assault, the great assault, assuredly We are Avengers.

17. And We have truly tested before them the people of Pharaoh, and came to them did a gracious messenger.

18. "For convey to me the slaves of Allah, assuredly I am to you a trustworthy messenger."

19. "And so that you heighten yourself not over Allah, assuredly I provide you with a manifest authority."

20. "And assuredly, I refuged with my Lord and your Lord from you pelting me."

21. "And if you have not faith for me, then disassociate (from) me."

22. So he called his Lord: "For, those are maleficent people."

23. "Then journey with My slaves by night, assuredly you are to be followed."

24. "And leave the sea ambling, assuredly they are drowned troops."

25. How much they did leave of gardens and springs...
26. ...and plants and gracious positions...
27. ...and grants; they were amid them, mirthful.
28. Thus We bequeathed it (all) to another people.
29. So, wept not for them did the sky and the earth, and not were they reprieved.
30. And We have truly saved the Children of Israel from an insulting torment...
31. ...from Pharaoh, assuredly he was high, from the excessive (ones).
32. And We have truly chosen them, with knowledge, over the worlds.
33. And We provided them from the signs wherein was a manifest trial.
34. Assuredly those are saying...
35. ..."Indeed, it is but our first death and not are we to be displayed!"
36. "So bring our fathers, if you were ever truthful."
37. Are they better, or the people of Tubba' and those from before them? We destroyed them, for assuredly they were ever malefactors.
38. And We created not, the heavens and Earth and what is between them, as Players.
39. We created them not but with the right, yet most of them know not.
40. Assuredly the Day of Separation is their appointment, all together.
41. The day (when) enriches not a guardian over a guardian anything, and not are they championed,
42. ...except whoever Allah mercies, assuredly He is Al-Aziz, Ar-Raheem.
43. Assuredly the Tree of Zachun...
44. ...the food of the wicked one...
45. ...is like sludge boiling in the bellies,
46. ...like the boiling of scalding water.
47. Take him, then haul him into the midst of the inferno.
48. Then pour atop his head from the torment of scalding water.
49. "Taste, assuredly you are the esteemed, the gracious!"
50. Assuredly this is what you were ever of it contending.

51. Assuredly the venerators are in a secure position.

52. Amid gardens and springs,

53. ...garmenting from fine silk and brocade, facing (each other).

54. Like this, we married them to wide-eyed houris.

55. They call in it for every fruit, secured.

56. They taste not in it Death except the first death, and He shielded them from the torment of the inferno.

57. Favor from your Lord, this is the great winning.

58. So in fact We eased it in your tongue, thus they might remember.

59. So observe, assuredly they are observing.
