

(93) *Ad-Duha: The Midmorning*

In the Name of Allah The All Merciful, The Most Merciful.

1. By the midmorning,
2. ...and the night when it lulls.
3. Not has your Lord forsaken you, nor loathed.
4. And the later (life) is better for you than the first.
5. And surely your Lord will give you, so you will be contented.
6. Has He not found you an orphan, so He gave dwelling?
 7. And He found you deviated, so He guided.
 8. And He found you dependant, so He enriched.
 9. So, as for the orphan, overpower (him) not.
 10. And, as for the quester, scold (him) not.
11. And, as for the grants of your Lord, then do narrate.
