

*(111) Al-Lahab: The Flame*

In the Name of Allah The All Merciful, The Most Merciful.

1. Perish the hands of Abi Lahab; and perish!
2. Enriched him not did his money and what he earned.
3. He will roast (in) a fire of flames.
4. And his wife is the carrier of the firewood.
5. Upon her neck is a cord of twined fiber.
